

BIBLE DISCUSSION

What is the repeated word in Genesis 3:24, Isaiah 35:8, John 14:6, and Acts 9:2? What is the picture that is being painted there? (By the way, it's really cool if you dig deep enough.)

LIFE DISCUSSION

Do you understand your life being a journey? What have been the most significant and defining moments along your path and how have they shaped you?

Do you believe you are a beloved son or daughter in the eyes of God? Do you think He wants to give good gifts to you?

What kind of father was your own dad? (good, abusive, distant, absent) What were the good things he instilled (if any). What were the bad thing he instilled?

Trying to find your way home can be confusing. Has there ever been a time where you sensed God leading you in a direction only to have things turn out to be completely different than what you expected? What was the effect it had on you? What effect does it have on you now?

It is easier to follow principles and precepts about God rather than God Himself. How do you balance this in your own walk with God? Have you ever heard the voice of God speaking to you individually and personally?

How do you feel God's fathering presence in your life right now? What is it that you are learning? How are you growing? Share it with the group and pray for one another.

The text "The Journey Home" is written in a large, black, cursive script. The word "The" is at the top, "Journey" is in the middle, and "Home" is at the bottom. The letters are connected and flow together, with a large, sweeping underline for the word "Home".
