

## **BIBLE QUESTIONS**

Read Psalm 96:1-4

What does the psalmist say that we should do and why?

Which three things are we to proclaim/declare to others?

Read Romans 11:36-12:2

How does this passage define worship?

Read Hosea 6:6

What does God say He desires?

## **DISCUSSION QUESTIONS**

What or whom, other than God, are you most easily drawn to worship?

It has been said that the problem with living sacrifices is that sometimes they crawl off the altar. Which ways do you tend to 'take back' what you've surrendered to God?

Under which circumstances do you find it easy to worship? When is it difficult? What obstacles to daily worship could you remove?

Reflect back on the life that you have spent so far. Which of your "worship investments" have paid off? Which were a waste?

Was there a time in your life when you would say you were a "living sacrifice" of worship to God? What were the circumstances; and if it's not like that now, what has changed?

What is one step you could take to deepen your love relationship with the Lord? When will you start?

Pray for one another.
