

## **BIBLE QUESTIONS**

Read Ephesians 4:17-32

Compare and contrast the 'old self' with the 'new self.' How is the new self different from just having better behavior?

Read John 15:1-8 (Jesus is speaking.)

What does He call Himself? What does it mean to remain in Him?

According to Jesus' prayer in John 17:20-23, what have we been given, and why? What affect is this to have on the world?

## **DISCUSSION QUESTIONS**

Do you tend to see yourself trying to follow in Jesus' footsteps (doing good, being moral, etc.), or do you see yourself as part of Christ and extending Him to those you come in contact with?

How is being 'in Christ' different from trying to act like Him?

Being in Christ is our position, but being filled with the Spirit is our fellowship with God. Have you ever gotten the two mixed up? How so?

Would you say that you are strong in the grace of Christ Jesus (2 Timothy 2:1)? If so, how did you get that way? If not, how do you need to change that?

Write down the names of your neighbors, if you know them. Include those who may share an office or cubicle wall with you. Include those you 'run in to' on a regular basis. How do/will they know you are 'in Christ'? If God is prompting you to reach out to one of them, are you willing to share that with someone in your CARE group?

Pray for one another.
