PLEASE PRAY

For those in our church family who are struggling with health, financial and family difficulties.

That our hearts and minds will be prepared and open to the promptings of the Holy Spirit.

For those who are recovering from surgery, injury, or illness.

For God to be glorified in the use of our time, finances, and other resources.

For our CARE groups to go beyond relating and live out the mission of discipleship.

For those who are new in faith to be strengthened and encouraged toward continued growth.
