Neighbor's Name _____

Neighbor's Phone _____

Neighbor's Address _____

Neighbor's Need _____

Does neighbor attend S.V.? _____

Does neighbor know you are nominating them? _____

If it is a residential service project, does the neighbor own the dwelling? _____

I plan on being involved in this project by:

- Leading a team of volunteers
- Helping do it
- Bringing lunch
- Providing water
- Providing baby-sitting
- Other (please specify) _____

Please note: Nomination of neighbor does not guarantee the project will be chosen. Also, a neighbor can include anyone you know personally, including community or non-profit organizations. Projects are chosen based on type of work, equipment needed and availability of volunteers. Once you nominate your neighbor, we will send someone out to assess if it is in fact a project we can complete. If it is, we will post the job description in the lobby along with some appropriate photographs of the projects and a brief description of what is required. From there, CARE groups can sign up and determine a time when they can accomplish the task.

The lead time on this process being completed is at least one month so be aware of that when talking to your neighbor. Also, it is important to keep in mind that all costs incurred on this project are the responsibility of the neighbor. If the neighbor does not have the means to pay for it, the CARE group servicing the project may be willing to provide some financial assistance.
